### Clinic Mission

**We're on a mission** to recover the lost art of shooting. Our goal is to teach every basketball player how to shoot the right way, give them tools to train on their own, and provide ongoing coaching/training to help players reach their goals. Join our mission by attending a free clinic hosted by AP Shooting Academy & Cedar Ridge HS with special guest **AJ Abrams**. This month's **FREE SHOOTING CLINIC** is on May 6<sup>th</sup> from 7-9pm at Cedar Ridge High School.

**\*Note:** A \$5.00 donation will be collected for the purpose of helping children in need. 100% of the proceeds from your \$5 donation will go to our partner charity: **STARRY** (a youth services organization in Round Rock). Partner charity is subject to change.
